LAKE NIPIGON FOREST
2021-2031 FOREST MANAGEMENT PLAN

The health and well-being of Ontarians is our top priority. Since first learning of COVID-19, Ontario has taken decisive action to stop the spread of this virus.

Alternative arrangements have been made for the Information Centres that were previously scheduled for May 6 and May 7, 2020, for the Lake Nipigon Forest 2021-2031 Forest Management Plan. These arrangements will meet the requirements of the Forest Management Planning Manual and ensure effective consultation during the COVID-19 outbreak.

Information that would have been available at the Information Centres will be made available on the eFMP website during the 60-day (May 6-July 5) public review period:
