

RES Canada Construction Bursary Program for the Red Sky Métis Independent Nation

Two (2) - \$5,000 bursaries are now available to Red Sky Métis Independent Nation members who register and complete an accredited wind turbine technician training program or a training program relating to trades relevant to wind farm construction.

ELIGIBILITY

1. Applicants must be approved by RES and the Red Sky Métis Independent Nation Program Coordinator.
2. Applicants must show proof of registration at an accredited wind turbine technician program or a training program relating to trades relevant to wind farm construction.

GUIDELINES

1. The program operates on a need basis as determined by Red Sky Métis Independent Nation's bursary policy.
2. Half of the bursary is awarded upon proof of registration and commencement of the program, and half is awarded upon successful completion of the program. Proof of completion is required.
