

JOB POSTING

One (1) Position: Temporary Field Assistant, Student

Location: Marathon, Ontario

Job Type: Contract

Length: May 23 – August 31, 2017

Remuneration: Daily

Description:

One temporary field assistant is required for the 2017 summer field season, working on the Coldwell Exploration Project in Marathon, Ontario. The contract position through Clark's Exploration, us expected to begin on May 23rd and end August 31st; however, it will be dependent upon weather and trail conditions. This position is field based with daily activities focused around assisting senior geologist with prospecting, mapping, trenching and other field based activities. This position requires excellent interpersonal communication and team work as you will be working alongside other geologists, prospectors and field assistants. A safe work environment is a priority for Stillwater Canada Inc (SCI); therefore all health and safety procedures must be followed and maintained. Accommodations will be provided while in Marathon.

Key Responsibilities:

- Work in a safe manner and comply with SCI safety and environmental procedures
- Assist with field activities related to mapping, prospecting and trenching
- Conducting borehole surveys
- Traversing in the field, using a compass, map, and GPS
- Creating maps and databases

Qualifications:

- Currently enrolled in geological program from a recognized university
- Valid G class driver's license
- Exploration experience, focused around field mapping and trench mapping
- High level of knowledge with Microsoft Office, Base Camp and GPS
- Strong written and verbal communication skills
- Fit to work, can hike for long periods of time and lift up to 50lbs
- ATV/UTV certifications
- Standard First Aid training

Deadline for application is Friday, February 17th at 12:00pm. Please do one of the following: email, mail, fax, or drop off in person, a brief cover letter and resume outlining your qualifications. Qualified candidates will be contacted for interviews that will occur in April 2017.
