APPROVED CONTINGENCY PLAN INSPECTION: DOG RIVER-MATAWIN FOREST 2019-2021 CONTINGENCY PLAN

The Ontario **Ministry of Natural Resources and Forestry (MNRF)**, **Resolute Forest Products Canada Inc.** and the **Dog River-Matawin Citizens' Advisory Committee (CAC)** advises you that the 2019-2021 Contingency Plan (CP) for the **Dog River-Matawin Forest** has been approved by the MNRF Regional Director and is available for inspection.

Why is a Contingency Plan Required?

The approved 2009-2019 Dog River-Matawin Forest Management Plan (FMP) will expire March 31, 2019. Delays have been experienced in planning the next ten-year FMP; as such, a CP is required. A two-year CP will enable the implementation of forest operations until the ten-year 2021-2031 FMP is approved.

CP Inspection - Final Opportunity

The approved CP is available for inspection by appointment during normal office hours for 15 days November 6 – November 20, 2018 at the Resolute Forest Products Canada Inc. office and the MNRF Thunder Bay District office at the locations noted below and on the Ontario Government website at www.ontario.ca/forestplans.

Interested and affected persons, organizations, and First Nation and Métis communities can arrange an appointment at the Thunder Bay District MNRF office to discuss the CP.
