

INSPECTION

Inspection of Approved Aerial Herbicide Project Magpie Forest

The Ontario **Ministry of Natural Resources and Forestry (MNR)** invites you to inspect the MNR-approved aerial herbicide project. As part of our ongoing efforts to regenerate and protect Ontario's forests, selected stands on the **Magpie Forest** (see map) will be sprayed with herbicide to control competing vegetation, starting on or about: **August 1, 2020**.

The approved project description and project plan for the aerial herbicide project are available electronically for public inspection on the Ontario government website at www.ontario.ca/forestplans beginning **August 1, 2020 until March 31, 2021** when the Annual Work Schedule expires.

Interested and affected persons and organizations can arrange a remote meeting with MNR staff to discuss the aerial herbicide project. For more information, please contact:
