

Exploration Geologist

Who We Are:

Impala Canada is the only Canadian primary palladium producer. Located in Northern Ontario, Lac des Iles Mine (LDI) features a world class orebody consisting of an open pit and one of the largest underground mines in Canada. Mine operations are data driven, supported by the latest in mine technology and equipment, real time mine management, and automation. At LDI we employ over 700 of Canada's best and brightest in their field. Driven to exceed, our people are motivated by a culture of safety in a positive and collaborative work environment. With a modern infrastructure, significant exploration portfolio, and dedicated employees Impala Canada is a well-positioned, low cost, long term, sustainable palladium producer.
